 Race: White  
 Sex: Male  
 Hair: Light Brown  
 Eyes: Blue  
 Height: 6 ft, 2 inches  
 Weight: 220 lbs.  
 Infection Date: Monday, August 5th, 2011  
 Disclosure History: Has failed to inform someone prior to exposure  
 Information Source: First hand knowledge (ex. confession)

I slept with him in August. We had sex and he said he was single but he had a girlfriend and he lies about everything including being infected. He infected me with Herpes (HSV2) He won't take meds to prevent viral shedding. Condoms won't protect you. He is a male version on a whore and he Ushers at [REDACTED] a Rolling [REDACTED] looking for swingers or wants to have sex on cam

Like for everyone to see. He has a big [REDACTED] but doesn't know how to use it. He always goes to swingers parties. Rewards He loves ha [REDACTED] with couples. He gets upset if you tell him you want to go to [REDACTED] coz his swinging, lying secrets will be revealed. He likes Asian and European girls so he can use them as his sex slaves to have sex with him on webcams. It's true [REDACTED] has no morals and it's a shame he is a liar and a hypocrite that serves at church. He has sex with hundreds of people and does not care who he infects. He is selfish and only cares about himself. If you see him run away from him.
